What clients are saying:

"I've just been selected for an exciting new position. The work we did together, your expertise and well timed nudges forward helped to make this happen for me. Count me as a 5 star satisfied customer and I highly recommend you to anyone looking to make a change in their career!" ~M. Rodriguez

"Liz helped me fix my resume, created a CV and updated my LinkedIn account. She was very professional and considerate of my time. She was able to pull out important details I never really thought to do on my own. I would definitely use her services again and would recommend her to anyone." ~A. Aroche

"I needed to work on my path to a new career and Liz was very helpful in mapping that out with me. She was considerate of my needs and helped me negotiate a significant pay increase with the new employer. She is skilled and does great work and is highly recommended to anyone needing career help." ~J. Rios

CAREER SERVICES

Effective career navigation entails developing a keen sense for where you currently are in your career, and retaining the flexibility and confidence to steer in a new and better direction if needed, or alternately, to cultivate the potential of your current position through negotiation.
